Dear Sir:

This paper is to bring to the attention of the Examiner Office Actions in copending application serial no. 10/473,050 filed September 26, 2003 (our file 411000-113, which application was previously brought to the attention of the Examiner in a Disclosure Statement filed September 30, 2005). Certain of the claims of that copending application are believed to be directed to similar subject matter as certain of the claims in the above-entitled application. In those Office Actions, the Examiner in that copending application has rejected the claims of that application in various Office Actions over references to Sturm et al. US Pat. No. 6,566,156, to Ogawa US Pat. No. 6,686,693, Guenther et al. US Pat. No. 6,699,728, to Thioulouse US Publ. No. 5,053,679, Duthaler et al. US 2002/0053320, and cited Fukuda US Pat. No. 6,541,130 as being of interest

The Commissioner is authorized to charge payment of any fee associated with this communication or credit any overpayment to Deposit Account No. 03-0678.
